

**LOCAL ELECTIONS 2019**

# **OUR PROBLEMS WON'T BE SOLVED BY THOSE WHO CREATED THEM**

I'm a 26-year-old social care worker specialising in the areas of mental health, addiction and intellectual disability, and I'm standing in the 2019 Local Elections.

One of five brothers, I've lived in Swords and Rivervalley all my life.

I was one of the main conveners in Swords of the successful Right2Water campaign. I am involved with FORUM in the campaign to minimise the impact of night noise from the new runway and have worked with residents and Clare Daly TD on a range of issues.

LOCAL ELECTIONS 2019

# DEAN MULLIGAN

I was active in the same sex marriage and Repeal referendums where people delivered a resounding vote for a modern compassionate Ireland.

Yet, we still have record numbers living on the streets or stuck at home with their parents unable to buy; precarious employment is still rampant, and the health crisis continues.

There is no point in voting for social change in this country and allowing the reigns of power to remain in the hands of those who

have stood over record inequality.

For real change we need to organise and campaign on the ground. That is the only type of politics I am interested in promoting.

Give me a shout and let me know your ideas:
