**WARD RIVERVALLEY WALKING TRAIL**

**Question: Councillor D. Mulligan**

“To ask the Chief Executive to explore options to create an interim walking trail in the Ward Valley Park along pathways, which may be viable and similar to those in Marley Park under the auspices of Dun Laoghaire-Rathdown County Council?”

**Reply:**

The Planning & Strategic Infrastructure Department is currently working with the Operations Department with a view to developing some key path linkages in the recently acquired western section of the path having regard to the need to protect and conserve the heritage structures and the extensive areas of woodland and biodiversity.
