ITEM NO. 50

PUBLIC TOILET IN WARD RIVERVALLEY PARK - AI069858

Question: Councillor D. Mulligan

“To ask the Chief Executive if she can explore the possibility of providing a public toilet facility in the Ward Valley Park in conjunction with the agreement of tendering process for the Ward Rivervalley recreational hub?”

Reply:

Works on the development of the Ward River Valley Recreational Hub are due to commence during October. The Council is liaising with local clubs in relation to the provision and management of the associated changing and toilet facilities. The level of accessibility to the toilet facilities will be discussed with the clubs in the context of the overall management agreement for these facilities.
