ITEM NO. 65

PRIMARY SCHOOL LITTER SIGNAGE IN THE LEA

Motion – Councillor D. Mulligan

“That the Chief Executive endorse a competition by writing and advertising to the local primary schools asking them to come up with a design for signage, that if this motion is agreed will be erected in local, regional parks within this Area Committee and the campaign would be to ask the children or classes to come up with a catchy slogan or caption and signage design to encourage park users to love their local park or greenspace and dispose of their litter appropriately.”

Reply:

The Environment Awareness section will engage with local primary schools in the Balbriggan/Rush-Lusk/Swords Operational area later in the year with a view to the schools running this competition. In cooperation with Operations Department the winning image and slogan will then be used for parks signage in the Operational area for a few months trial period.
