R132 UPGRADE WORKS - AI078045

Question: Councillor D. Mulligan

“To ask the Chief Executive if there is a proposed timeline to start the R132 upgrade works?”

Reply:

The R132 Connectivity Project recently received planning approval from An Bord Pleanála. There is no project team currently appointed for this project however it is likely to form part of the emerging Sustainable Swords strategy and as such, will be progressed in that context. There is funding allocated under the Fingal Capital Programme 2022-2024 for design and construction commencement in this period.
