**BALBRIGGAN/RUSH-LUSK/SWORDS AREA COMMITTEE MEETING
[Services A – Operational Matters]**

Thursday 12th September 2024

ITEM NO. 34

Resurfacing of Church Road in Rolestown - AI098235

Question: Councillor D. Mulligan

“To ask the Chief Executive to provide a timeline as to when the resurfacing of Church Road in Rolestown will commence, in line with agreements from developers of adjacent sites and this Council?”

Reply:

A meeting on site occurred on 5th Sept 2024 with Council Officials from Operations, Planning and Strategic Infrastructure and Building Control to discuss the options available for advancing the improvement works required for Church Road.

Before any road resurfacing can take place, in conjunction with the developer, it is first necessary to identify to what extent (if any) there exists a surface water drainage network in the local area into which surface water runoff from the road can be connected.

This matter is currently under investigation.
